We live in Los Angeles, California with our 2 children. I am a School Counselor with Inglewood Unified School District. My wife, Rosemarie, is a stay-at-home mom. Our daughter, Annmarie, is 4 years old. Our son, Aiden, is 2 years old.

We hope to share the American experience and share our Filipino culture with students. We also hope to learn about student's culture as well. We offer a variety of foods including American, Italian, Filipino, Chinese, Japanese, Mexican, and Korean.

We are located in the Harbor City (90710) area in Los Angeles, California. International students will have the opportunity to go to shopping at Del Amo Mall, South Bay Galleria, and South Bay Pavilion. In addition visits to Hollywood, Downtown Los Angeles, visit Universal Studios, Knott's Berry Farm, Disneyland, and Magic Mountain are possibilities. Beaches nearby include Redondo Beach, Hermosa Beach, and Manhattan Beach.

About once or twice a month, we also head down to San Diego to visit our kid's grandparents.
