Filianni with students in

My name is Filianni 38 and my husband is Luke 39. We have 2 sons Justin is 7 (2nd grade) and Brandon is almost 4. We have a cute lovely bulldog Olive and she stays outside in our backyard. Our home has 4 pretty big bedrooms and 3 bathrooms. We always keep our home nice and clean. I own a franchise / smoothie store in Fullerton but I am in the process of selling the store and it is in transition through the new owner by early next month /March of this year 2010. I decided to stay home and take care of my sons. Luke works full time as a cop.

We reside in the City of Cerritos and have previously hosted International students from China, South Korea, Australia, and Japan. We love the experience and would love to host again.

Our house is only minutes from bus stops, Starbucks, Bally's Health Club, Ralph's Grocery Store, fast food restaurants, Disneyland, Knotts Berry Farm etc.. In addition, we are located only approximately less than 2 miles from the Cerritos Mall.

The students attended Long Beach City College and Fairmont Private Schools (Anaheim) and private pilot school in Long Beach. The schools near our home are Valley Christian Schools, Cerritos College, Cerritos High School, Whitney High School and Artesia High School.

Warm regards

Fili & Luke
